

MARIETTA SWEET CORN SCHOLARSHIP

This scholarship is for students in all of Washington County who plan to continue their education in the agricultural field. Those students involved in FFA or other agricultural programs are eligible for the scholarship.

We encourage everyone involved in FFA to become a volunteer for the Sweet Corn Festival. The festival is operated entirely by volunteers, so the more volunteers we have the better the festival. The better the festival, the more money we can raise. The more money we can raise, the larger the future scholarships can be.

Please come and volunteer and become part of the future of Future Farmer's of America.

Sincerely,

Marietta Sweet Corn Scholarship Committee
